Rehab for Your Quality of Life

Depend On Us For Life.™

Welcome to Baptist Rehabilitation

We offer comprehensive services to help individuals who may be experiencing neurological, medical or musculoskeletal problems. Baptist Rehab specializes in providing care that alleviates pain and restores function, as well as improving safety, overall health and other disease management. If you suffer from back, neck or other types of joint pain, or if you have a loss of function due to stroke or another medical condition, the Baptist Rehab team may be your answer.

Our Team

Baptist Rehab provides excellent individualized care through a team of highly qualified, licensed and experienced professionals. They include physical therapists, exercise specialists, occupational therapists, speech-language pathologists, respiratory therapists and registered nurses.

Baptist Rehab professionals develop a personalized treatment plan that helps patients resume normal activities.

What We Do

Our specialized programs may include, but are not limited to the following areas or disorders:

- Arthritic Pain and Dysfunction
- Back Pain Program
- Balance and Movement Disorders
- Bariatric Surgery and Exercise
- Cardiac and Pulmonary Rehabilitation
- Fibromyalgia
- Head, Neck and Facial Pain
- Maturing Athletes Program
- Speech/Language Therapy
 - Accent Reduction
 - Cognition Therapy
 - Swallow (Dysphagia) Management
 - Voice Rehabilitation
- Sports Medicine
- Women's Therapies
 - Incontinence
 - Osteoporosis
 - Pelvic Pain Syndrome
 - Pre & Post Partum Low Back Pain & General Deconditioning

We also offer functional capacity evaluations (FCE), a work conditioning program and ergonomic (work station) evaluations.

At Baptist Rehab, you will always see a licensed therapist during your visits. Depending on availability, we do accept walk-in appointments at all of our locations if you have a prescription from your physician. If you want to explore other options before electing to have surgery, come and see us.

Our Facilities

Baptist Rehab outpatient clinics are available throughout Northeast Florida for your convenience: Jacksonville Beach, Downtown Jacksonville, Southside, Fernandina Beach, Mandarin and Westside.

Our downtown facility, located in Baptist Heart Hospital, houses the **Wolfson Wellness Center**, a state-of-the-art medical wellness center that overlooks the St. Johns River. The center offers medical fitness programs, personal training, group classes and massage therapy. If gyms are intimidating to you, or if you worry about re-injuring yourself, the Wolfson Wellness Center is the place for you. Our staff is trained and experienced in recognizing signs, symptoms, risks and limitations when working with individuals recovering from injury or dealing with chronic illness. The Wellness Center is open to all who are interested in improving their health and well-being.
